Contact CT as needed for balance total, providing adjusted guest/linen/event count, if any.

If extra people/linens are added to the rental, the additional associated rent will be charged when they are added, according to the schedule outlined above. If people/linens are deducted from the reservation per the schedule above, the balance due Tenant will be paid during Tenant’s stay or refunded with the deposit. See Appendix B for Rent, Refund & Deposit Schedule in a chart.

6) **Utilities:** All basic utilities, including internet and cable TV services, will be paid by CT. Telephone service is by Tenant's cell phone. Note: T-Mobile does not work well here except down the driveway, but other cell services typically have decent service.

7) **Sublet:** The Tenant agrees not to sublet the rented residence or assign this agreement.

8) **Tenant Special Responsibilities.** One person shall act on behalf of the Tenant as financial, lease compliance, and contact for all guests and invitees in the rental group, and shall be responsible for all provisions of this Agreement including payment. By signing this Agreement on behalf of the Tenant, signor is also affirming that he or she has the authority to sign on behalf of the group.

CT reserves the right at its discretion to request any activity, whether listed here or not, be immediately stopped if the activity disturbs others.

- c. Properly use and operate all facilities, fixtures and appliances.
- d. Not intentionally or negligently destroy, damage, impair, alter or remove any part of the premises, their appurtenances, facilities, equipment, furnishings, and appliances, nor permit any member of his or her family, invitee or other person under his or her control to do so. Gentle adhesive blue tape may be used on the walls/wood if it does not remove paint or finish.
- e. Not permit a nuisance or common waste.
- f. Septic care: No oils or fats of any kind may be poured down our drains to protect the septic system. Food and oily beverages should be discarded in trash in ziplocs. Only toilet paper (not even Kleenex) should be discarded in the toilets.
- g. Children: Children are welcome. Parents agree to take responsibility for appropriately child-proofing the House, closely supervising children inside and outside (especially around fires, creeks and hot tub), and requesting plastic bed covers in advance for any potential bed-wetters. Parents are aware that this is a natural setting with wildlife, which can create hazards for children. Tenant is responsible for the costs of damage caused by guests of any age.
- h. Conserve energy. Keep windows and doors closed when heat is on. Keep lid on hot tub when not in use. Turn off fans and space heaters when not in use.
- i. If using the garage for storage, keep garage door closed and locked at all times, and keep CT belongings secure
- j. Follow all posted rules for the hot tub
- k. Reasonable use of firewood. We provide up to six pieces per night of free firewood for use in the wood stove or fire circle. Excess use of firewood will be charged to Tenant. Please purchase additional firewood if needed.
- l. The yurt is not for sleeping.
- m. If tent or other stakes are used, they cannot be driven further than 10" into the ground due to underground services. Vehicles should not be driven onto the lawns.

10) **Policies.** The Tenant (including all guests and invitees) agrees to abide by these policies:

- a) No smoking is allowed under any circumstances by anyone in the rental residence, yurt or their vicinity at any time. If the Tenant, Tenant's invitees or family smoke in or near the rental residence at any time, an extra cleaning fee will be charged (\$100 minimum) plus as necessary to eradicate the effects of the smoke, first deducted from the deposit and any remaining costs paid by Tenant. Smoking is allowed outside in the lower elevation areas of the site (bonfire circle, creek and lower parking area), so long as thoroughly extinguished and butts discarded in the trash.

b) Pets are not allowed due to insurance restrictions, and can result in forfeiture of all of Tenant's damage deposit. If the Tenant, Tenant's invitees or family invite, allow, or bring other pets into the rental residence at any time, Tenant further agrees to pay all costs associated with behavior, restoration and cleaning related to such pets.

c) Fires are only allowed in the wood stove and fire circle, and must be built and managed according to CT guidelines included in guest information book. Fires are not permitted during Whatcom County residential burn bans (<http://www.co.whatcom.wa.us/807/Burn-Ban>). A large full bucket of water is provided by the fire pit—please refill as needed during your stay. The bucket is not filled during burn bans. Should you decide to violate the burn ban (in which case you would be fined by us and potentially by the County as well, so please do not!), be sure you have full water sources at hand. Candlelight is allowed only in the holders provided, should not be left burning without people present, and may not be taken into the bedrooms or the yurt. No other burning material is allowed, except noted here by advanced arrangement:

NONE

d) Please recycle. Recycling cans are provided in each room, and marked bins are supplied along the side of the house. Excessive trash caused because recycling is not separated will result in a charge for our work separating it later. See Appendix D and the binder on the house counter for more detail.

e) Drinking. Drinking of alcohol is permitted (please recycle the containers). Tenants are responsible to be sure their guests don't drink and drive. Tenants should be aware that almost the only times there have been damage to/excess charges for the property has been when there has been drinking, and such damage usually happens by invited guests without the Tenant's (or sometimes even those guests') awareness. People who are drinking may not act as responsibly or awarably as their normal characters would indicate. Please expect that if you have a group that is drinking that there may well be charges on the deposit at the end of the stay. Tenant agrees to take responsibility for all damages that occur, even if the Tenant is not aware of them occurring.

11) **Emergencies and Contacts.** Tenant will assure that all guests & invitees are aware of who has working (non-T-Mobile) cell phones. In case of emergency, call 911. There are four exit doors on the main floor (front door, kitchen door, dining room door, Ocean Bedroom door), and one front exit door in the yurt. Emergency meeting place is in front of the yurt porch.

- b) Tenant shall fully perform the obligations of this agreement.
- c) Tenant shall restore the rental residence and return it to the CT in its initial condition, except for reasonable wear and tear, upon termination of the Rental Term. If Tenant notes any pre-existing damage to residence at the commencement of Rental Term, Tenant should notify CT in writing (e-mail is fine) within two hours of occupancy. INFORMATION TO SHARE WITH ALL TENANT'S GUESTS IN ADVANCE OF STAY

(plus Sections 9, 10 & 11 of Rental Agreement)

The arrival time is after 4:30 pm and the departure time is 11:00 am or earlier, unless Tenant has made other arrangements with CT.

Directions: The website (www.cedartreellc.com) has detailed directions. The short version: Go east from I-5 Exit 255 "Sunset/Mt. Baker" 3.9 miles to 1733 Mt. Baker Highway. Third driveway on the right past Noon Road. "Cedar Tree House" sign on the mailbox with green reflector tape in the shape of a tree. (This is the next driveway **past** the large "Tree Frog Night Inn" sign and peace sign reflector). Drive all the way up the driveway to the house at its end or park in the large parking lot just past the greenhouse on the left and walk up the hill to the house. Please obey posted driveway speed limit of 10 mph.

Parking: Up to four cars may be designated to park immediately by the House. Also by the House is a turn-around /emergency vehicle space that should not be used for parking. The rest of the cars should use the lower parking area (after unloading at the House, if desired). Please park in the marked spaces. There is a bark trail from the parking up the short hill to the House. Look for the "Trail" sign near the entrance of the parking area. **Bring a flashlight to use on this trail after dark.**

Exiting the Property: A right turn is recommended out of the driveway for your safety. A quick U-turn: as you exit to the right, immediately illuminate your left blinker and turn left on VanWyk. From here you can immediately get on Mt. Baker Highway westbound towards town and I-5.

Emergency information: Fire extinguishers are under the kitchen sink, in the front hall closet, under the upstairs bath sink and in the yurt. The first aid kit, along with spare earplugs, feminine supplies, and hot/cold packs are located above the refrigerator (step stool in front hall closet). If you ever smell gas, immediately exit the building by the closest door. Emergency shut off locations are included in the guest information notebook.

The front door is operated by a four digit code. Be sure to leave the porch light on or take a flashlight if you go out, so that you can see the code pad (and front steps for safety) if you return after dark (pressing the top Schlage button makes the numbers light up). Please share this code with guests coming. The inside front door bolt may be turned so that the front door will not lock automatically. The back door and two sliding doors may also be left unlocked/unbarred.

Be Alert to Hazards: For example, be aware of bunk bed ladders that partly block the paths to some bedsides, particularly when rooms are dark during the night. **Also, when wet or cold out, decks and porches can be very slippery.** We provide deicer on the front porch for the use of all guests as needed on any outdoor surface.

Use Trivets: Cup trivets are provided in each bedroom and in the common rooms. Please do not put cups, glasses or anything wet on any wood trim or wood furniture. Pot trivets are provided in the kitchen to protect tile, granite, glass and wood surfaces from heat.

Bring: Flashlight, plastic containers to take home leftovers, swimsuit for hot tub, food for meals (or arrange personal chef/catering-CT can provide a list of possibilities), your favorite pillow (optional) to complement the

comfortable Posturpedic mattresses, (and bring bed & bath linens & blankets & pillows & cloth/paper napkins if you are not renting linens), kindling for woodstove and bonfire (some wood provided), earplugs (especially in larger groups), additional games, yoga mats or other activity equipment.

Spa services: A variety of spa services are available in the Tree Frog Night Inn spa room next door (a one minute path walk). A menu of spa services and prices is available. Write inn@treefrognight.com or call Kara at 360-676-2300 if interested. **Advanced reservations are required, and therapists may have limited ability.** Tree Frog Night Inn (treefrognight.com) provides luxurious eco-suites.

Supplied with rental: Each bathroom includes a blowdryer, soaps, shampoo, tissue, toilet paper and a large double hook for each user (with makers to identify whose is whose). Each bedroom includes an alarm clock, CD/iPod player, and its own sink. The kitchen includes: basic spices, sugar, olive oil, dishtowels, placemats, tablecloths, candles, dish soap, sponges, garbage bags, coffee filters, candle holders, vases, wraps, Ziplocs, paper towels, cookware, dining ware, cutlery, an oversized refrigerator with icemaker, and appliances (such as a large and smaller coffee maker, microwave, hot water urn, toaster and dishwasher). The living room includes: a large flatscreen TV with computer connection, a sound system, BluRay DVD/CD/iPod player, wireless high speed internet (password is "password"), and cable TV service. The yurt includes: a CD/iPod sound system, bamboo floor with in-floor radiant heat. Small hooks are provided along the tops of the common area windows for stringing decorative lights, decorations, etc. Fans, space heaters, a few games, a desk and chair (in the Ocean Room), a large propane BBQ and BBQ utensils, a large cooler (stored in the shed) and cold packs, outdoor dining and deck furniture, porch and entry hooks and shoe racks, bonfire roasting sticks (use care with these), an iron and an ironing board are also provided. Storage for larger equipment, such as bicycles, can be arranged.

The Ocean Room is the only bedroom downstairs and with a bathroom inside it. This Room also has a marbled dressing room with upscale cabinetry and a double sink vanity. Those sleeping upstairs in the Wildflower Room and Fairhaven Loft (if any) typically use the downstairs bathroom by the kitchen. These factors may be important considerations in assigning rooms.

Be sure to abide by our pet, smoking and other policies; follow all the check out procedures (Appendix D, which is included in the information folder); and clean up any excessive/unusual messes, to avoid any charges for your group.

When you arrive, please take a look through the Guest Information Notebook and folder, which will have lots more information about the House as well as area activities and entertainment. You are always welcome to request a list of our area favorites or ask questions in advance of your stay (info@cedartreellc.com or 360-676-2300).

Welcome! Enjoy your stay!

APPENDIX D CHECKOUT LIST
CEDAR TREE HOUSE RENTAL AGREEMENT

- 1) Please empty all trash and take it to the trash can at the side of the house. Leave any excess trash well sealed in the kitchen (additional trash bags are at the bottom of the kitchen garbage can or under the kitchen sink). It is important to us that the recycling be separated out, emptied and rinsed as appropriate, flattened if possible, and properly sorted. Here, recycling is sorted into newspaper, scrap paper/cardboard, and bottles/cans (both metal and plastic). There are extra boxes to use under the carport next door if you fill the recycling bins at the side of the house. On the rare occasions when we have charged an excess garbage fee, it is often when much of the material in the garbage has been recyclable and we have had to separate it ourselves—a messy job. For more information, please consult the recycling guidelines included in the binder on the counter. Thank you from Cedar Tree Staff & the Earth
- 2) Load and start dishwasher. Handwash any remaining dishes. Clean out coffee & tea makers and any other kitchen appliances (including popcorn machine) used.
- 3) Put clean dishes and kitchen items away in original locations. Photos are taped inside of drawers and cabinets to assist in this process.
- 4) Shake out/wipe down used placemats; wipe down plastic coated tablecloths

- 6) Remove all food from the refrigerator, shelves and counters brought by Tenant. Please leave spices, sugar and oil provided by CT. OK to leave a few common staple foods that will last a long time. Also OK to leave perishable foods (those still good to eat) neatly packaged/wrapped and in shopping or grocery bags in the fridge, on the counter, or in the freezer. We will try to find good homes for them.
- 7) Check the house (including desk, bath, sink and end table drawers) for Tenant's belongings. By request, items left behind can be mailed to Tenant for a charge of \$20 plus postage (\$8 plus postage if items are small and can be mailed from Manager's home).
- 8) Clean up trash left outside.
- 9) Clean BBQ per instructions in information binder
- 10) Be sure all remotes are left in place (three in living room and one in each bedroom)
